

1. Introduction & Acceptance

1.1 The Student Engagement Stamp Challenge ("**the Challenge**") is an interactive engagement event organized and operated by Global Education Alliance Laos ("**GEA Laos**" or "**the Organizer**").

1.2 Participation in the Challenge is subject to these terms and conditions. By accepting, holding, or collecting stamps on the official A5 Landscape Challenge Card ("**the Card**"), participants are deemed to have read, understood, and unconditionally accepted these Terms and Conditions in full.

1.3 GEA Laos reserves the right, at its sole and absolute discretion, to amend, suspend, cancel, or terminate the Challenge, including its mechanics, rules, timelines, or prize structures, at any time without prior notice.

1.4 Any amendments, suspensions, or terminations by GEA Laos shall not entitle any participant, school, or external party to any claim or financial compensation for any losses or damages incurred directly or indirectly as a result of such actions.

2. Eligibility & Card Integrity

2.1 The Challenge is strictly open to registered students attending the event organized by GEA Laos.

2.2 Each eligible participant is entitled to only one (1) official physical Card. Creation of multiple profiles, duplication of cards, or playing on behalf of another student is strictly prohibited.

2.3 Participants are solely responsible for maintaining the physical integrity of their Card. The Organizer is not responsible for lost, stolen, misplaced, or damaged cards, and no replacement points or stamps will be re-issued under any circumstances.

2.4 GEA Laos reserves the right to request student ID validation, registration verification, or email authentication prior to evaluating card totals or issuing any prize.

3. Stamp Mechanics & Verification

3.1 Stamps are earned through specific "Event Actions" split across three distinct zones on the physical card layout, up to a maximum threshold of fifty (50) stamps or the absolute maximum cap designed for the event.

3.2 ****Registration Zone:**** Participants may receive a maximum of two (2) stamps at the entry counter: one (1) stamp for their personal successful registration check-in, and one (1) bonus stamp if they physically bring an accompanying friend to register.

3.3 ****University Consultation Grid:**** Participants can earn up to twenty (20) stamps by visiting the participating university booths. One (1) thorough consultation with a university representative equals one (1) official stamp. Stamping is strictly restricted to one unique stamp per university. Duplicate stamps from the same university booth will be audited and disqualified.

3.4 ****Kahoot! Arena:**** Participants can earn bonus stamps by joining the live interactive Kahoot! trivia sessions held on the main stage (scheduled for 2:00 PM and 3:00 PM). For each round, bonus stamps are awarded as follows:

- First Place: 3 stamps
- Second Place: 2 stamps
- Third Place: 1 stamp

A maximum of six (6) stamps can be accumulated across both Kahoot! rounds.

4. Final Evaluation & The Organizer's Absolute Decision

4.1 The evaluation of stamp totals will take place strictly during the audit window starting at 3:15 PM.

4.2 ****Grand Prizes (1st, 2nd, and 3rd Places):**** These top-tier rewards will be strictly awarded based on merit to the top three (3) participants who accumulate the highest total number of valid stamps on their card.

4.3 ****The Tie-Breaker Rule:**** In the event that multiple students achieve an identical highest number of stamps, a sudden-death tie-breaker will be executed. This tie-breaker will consist of either a live mini-game on stage or a rapid digital draw conducted by the Emcee to determine the final order of winners.

4.4 ****Absolute Discretion:**** GEA Laos reserves the ultimate right to investigate any suspicious activities, artificial inflation of scores, or forged marks. The Organizer holds the absolute right to disqualify any card showing signs of tampering, pencil marks, replication, or unfair play. ****The Organizer's decision on all matters relating to the Challenge, stamp verification, and winner selection is final, binding, and conclusive. No further correspondence or appeals will be entertained.****

5. Lucky Draw & Consolation Prizes

5.1 To enter the lucky draw for the forty-four (44) Consolation Prizes, students must collect a minimum qualification of ****five (5) valid stamps**** on their Card.

5.2 Eligible participants must fill out their personal details on the designated tear-off slip of the Card and drop it into the physical Lucky Draw Box before the ****3:15 PM deadline****. Entries dropped after 3:15 PM will be automatically disqualified.

5.3 Winners for the consolation prizes will be chosen via a system-generated or physical random draw live on stage starting at 3:30 PM.

6. Presence Requirement & Forfeiture

6.1 ****Strict Physical Presence Rule:**** All potential winnersâ€”for both the Grand Prizes and the 44 Consolation Lucky Draw Prizesâ€”****must be physically present**** at the main stage area during the prize distribution ceremony from 3:30 PM to 4:00 PM.

6.2 If a participant's name or ticket number is drawn or called out by the Emcee, the participant must step forward to claim their prize immediately.

6.3 If a chosen winner fails to step forward after three (3) consecutive public announcements on the microphone, the participant will be deemed to have forfeited the prize completely. The Organizer will immediately conduct a redraw or select the next eligible runner-up live on stage.

7. Prize Terms & Limitations

7.1 All rewards, gift vouchers, digital cash, or physical prizes distributed during the event are intended solely for personal, non-commercial use.

7.2 Prizes are strictly non-transferable, non-refundable, and have zero cash alternative. They cannot be exchanged, resold, or returned under any circumstances.

7.3 Any external digital vouchers or gift cards (e.g., Starbucks, eWallet top-ups, brand coupons) distributed are subject to the specific terms, usage guidelines, and expiration dates set by their respective issuing merchants. Expired, lost, or stolen vouchers will not be replaced or reinstated by GEA Laos.

8. Privacy & Personal Data

8.1 By participating in this Challenge and submitting personal information on the lucky draw tear-off slip, participants explicitly consent to GEA Laos collecting, storing, and processing their personal data (Name, Contact Number, Email) for the purpose of executing the lucky draw, auditing results, and sending future international education updates.

8.2 For any compliance queries, corrections, or data requests, participants may contact the Organizer directly via the official email framework at ****gealaos@geaworld.org****.

9. Governing Law

9.1 These Terms and Conditions shall be governed by, interpreted, and construed in accordance with the applicable legal regulations of the event's operating jurisdiction, and participants submit to the authority of the local organizing committee frameworks.
